Check out ALLO's Simultaneous Ring Service.

Add this feature to your ALLO phone number to stay in contact no matter your location. Simultaneously ring one or a set of numbers in addition to your home or business line and never miss a call again! Call 855.632.3154 for more information.

Did You Know Fiber is Green?

The energy cost to send an electrical signal over miles of wiring is dozens of times the amount of energy needed to send a brief flash of light over the same distance with fiber. Less energy means a smaller carbon footprint. Just one more reason to feel good about ALLO Fiber.

Replying to a Message—Dialing the Originator

- While listening to a message, you can call the person back by pressing 4 and selecting option 1.
- This capability will not work if the voicemail system was not able to identify the Caller ID information when the original voicemail was received or if your phone is configured with call restrictions which prevent you from calling the originator's number.

Changing Your Voicemail Password

- Access your voicemail box.
- From the Main Menu, press 4 to change your settings.
- Press 3 for security options.
- Press 1 to change the PIN.

Recording Your Personal Greeting

- Access your voicemail box.
- From the Main Menu, press 3.
- To set up a personal greeting press 1.
- To set up a system generated greeting or to change the recording of your name press 3.
- To change the greeting that callers hear when you're busy press 5.
- If you don't record a personal greeting, a generic greeting will be played.

Using the Voicemail System

The voicemail system is menu driven. Listen to the voice prompts and then press the keys on your phone to select which option you would like.

Accessing Voicemail

The first time you access your voicemail box you will be asked to set up your mailbox, and record your name and a greeting to be played to callers.

From Your Own Phone

- Press the voicemail button or dial *15.
- Enter your voicemail password and then enter the # sign.
- If you have new messages, the messages will be identified.

From Another Phone

Option A: Dial your local access number:

Alliance	308.761.5555
Bridgeport	308.262.7555
Gering	308.633.5555
North Platte	308.221.6555
Ogallala	308.284.7555
Scottsbluff	308.633.5555

- When prompted, enter your 10-digit number.
- When prompted, enter your voicemail password and then enter the # sign.

Option B: Dial your own phone number. Wait for the voicemail greeting message to begin and enter the * sign.

- When prompted, enter your voicemail password and then enter the # sign.
- If you have new messages, the messages will be identified.
